

Alabama Northwest Florida Flight Standards District Office presents:

Common Pilot Mistakes

The IMC Club is all about mastering the art of instrument flying. At each meeting we consider a specific topic, scenario, or discussion points that takes us to a decision point. Then, in a structured manner, we discuss alternatives and personal experiences. At this meeting we will look at options when common mistakes are made when performing General Aviation activities and tasks. In a retrospective, we will discuss the importance of recognizing some of the common pilot mistakes and how to avoid making them. Our meeting will start at 8:00 AM CT with a pancake breakfast by using EAA's 4' circular pancake cooker - you gotta see this in action!

Donations gladly accepted. The IMC Club meeting will start promptly at 9:00 - continue to enjoy Chef Jon's pancakes. Open discussion on common pilot mistakes while performing general aviation activities. We will also hold an open discussion about the FAASafety WINGS Program.

Ray scholarship awardee Kaleb Shumate will be on hand to give an update on his training progress.

Directions: Two blocks north west of Dothan Airport Passenger Terminal on Flightline Drive (on the corner of Small Street and Flightline Drive next to Dothan Civil Air Patrol building).
